Danganronpa: Trigger Happy Havoc ePub Danganronpa 3, . . . Published by NIS America. Release date: . Danganronpa 3 Visual Book Danganronpa 3: The End of Hope's Peak High School (Danganronpa 3) Danganronpa Another Episode: Ultra Despair Girls (Danganronpa Another Episode) Gamers Danganronpa 0 A Second Chance (Danganronpa: The Animation) If you have any questions about this game, please post it on the discussion board. This game allows you to play as one of the main character, depending on which character you start off with, the first episode is more suspense than the second. I used character 1 for the second. Do not fastforward, do not speed up or rewind the video and then use the pause button to speed up the song. Also you need to press both arrow keys to switch between the part of the song and not just the up and down arrow. Second of all I fixed the mic and its working pretty good. The game doesn't allow you to adjust the volume. So the best way to increase or decrease the volume of the mic is through the alcantara.org website. Third of all the only issue I have had with the game is that it has been missing updates. When I first started playing the game I noticed there was no game updates. So I thought that the game was broken and I would have to start over. But the game still works. I went to the site mentioned above and downloaded the latest update and it has since worked. I played the game for two weeks and then I went to the site and downloaded the latest update which fixed the game. So do not give up on the game it still works fine. Good luck.
