to review before an exam I took in high school. And I was really surprised how good the review was! Not just the structure of the reviews, but also the quality! The materials are sorted in chronological order, which helped me find the topic that I was going to review in a very fast and concise way. Top-down gives a clear and detailed overview of the main topics. Balancing gives more detailed and specific discussions of each topic. . 2 hours ago. the theories and models of microeconomics are ba244e880a
