A: The western version of Resident Evil: Retribution does have subtitles in English. The version I downloaded had the same subtitles as the American version, which the Wikipedia article says is "without English subtitles".

1. Field of the Invention The present invention relates to a wire harness having electric wires, and more particularly, to a wire harness which is designed to prevent its electric wires from being pulled by pulling force caused by a motion of an occupant.
2. Description of the Related Art A wire harness has been used to connect an electrical device and an electric wire extending from the electrical device to a vehicle body. The wire harness accommodates the electric wires connected to the electrical device and wire harnesses of the electric wires extending to other electrical devices, in a case. As shown in FIG. 7, the wire harness is usually formed by bundling and arranging a plurality of electric wires 2 in a flat state, in a case 3 having a shape like a flat plate. For example, in an arrangement of the electric wires, a flat electric wire band 2 is, for example, attached to a front inner wall 3a of the case 3 via a tape 4 and a braid 5, and is accommodated in the case 3. Recently, a vehicle is designed to become smaller and lighter in size and weight
