KeyMACRO is a tiny application, designed for quick access to MACRO keys. It has features that allows users to assign a shortcut to macros stored in any file formats: TEXT/ENCRYPTED/UNENCRYPTED/INCLUDE. KeyMACRO has built-in searching tools to quickly locate macros stored in the "keys" folder. KeyMACRO is able to open files, folders, search keywords and even connect to remote hosts. KeyMACRO supports multiple profiles. Keys can be set up in profile by profile to create a well-organized workflow. Text-To-Speech-MP3 Editor Description: SpeechToText is an easy-to-use program, which can convert your audio files into text in various formats, including RTF, TXT, HTML, XML and CSV. This is a powerful tool that can easily be integrated into programs such as Winword or any other web browser. Once you've recorded the audio, you can use SpeechToText Editor to convert your file to any text format you need. Speed Text To Speech Studio Software This program is an all-in-one speech synthesizer tool. You can record your voice, edit your audio files, speed-up, slow down, reverse the speed and other functions. The program allows you to record audio and combine it with a text in various formats and then it will convert the audio file into a text file. WebSpeech Wizard WebSpeech Wizard creates text, HTML and XML websites from audio. The program allows you to write a quick speech, and instantly create a document containing a range of various options. Manage custom formats, including PDF, DOC, DOCX and even MP3! WebSpeech Wizard Editor allows you to customize your speech file. With it, you can easily alter your text, speed up or slow down your speech and easily embed images to your speech. Quickly add hyperlinks and web addresses into your speech WebSpeech Wizard Editor is very easy to use. Once you've recorded your speech, simply edit it in the program interface and adjust its speed, or take advantage of the built-in hyperlink editor to insert web addresses and hyperlinks into your text. Presets are a time-saver! The software comes with a range of presets that you can select from to easily add a personality to your speech. 3D glass cleaner Looking for professional glass cleaner 3D 70238732e0
