A: Здравствуйте. На видео предлагаю посмотреть, что происходит с переменной. Изменения приходят в начало файла, а не в середине. Прочитайте тут: Видео почти соответствует реальности - правильные настройки положения снippetов стали игнорировать. Проверьте что такой переменной по умолчанию объявлено внутри файла, и еще один путь что в файле объявлен этой переменной. 1. Field of the Invention The present invention relates to a charge pump circuit, and more particularly, to a charge pump circuit having low standby current. 2. Description of the Prior Art FIG. 1 is a circuit diagram of a conventional charge pump circuit. The conventional charge pump circuit 100 includes a current source I, an input node N2, a voltage source VDD, and an output node N1. The voltage source VDD is used to provide a high voltage VPP to the input node N2. When the input 2d92ce491b
