What's New in the Bigger Cursors?

Tells the package where to get icons from. You can select one of the pre-made cursors and the same for the toolbars. These are big cursors. **\*\*WARNING\*\*** you must select them manually. To do that you must right click on an existing cursor and click "Select Cursor" (or click on the "Bold" button in the Edit menu to edit the icon). **\*\*Another Warning\*\***: the list of icons that you choose will be saved! The package contains: - 16 large icons - 256 small icons - A big icon for the toolbars \* For Vista users, the icons are in the %%CURSOR%% folder. \* For XP users, the icons are in the "CURSORS" folder. **\*\*Note:\*\*** If you want to use the cursors in another icon theme you must right click on the cursors and select "Import...".
