Raising my head from the pillow, I made sure that nothing hurt. And in general, I feel like in a good sanatorium. Even thoughts do not climb somewhere. I wonder if these pills were pumped into me, or if it's my subconscious mind that perceives my stay in a hospital bed. But it seems that this is not for long, I can already feel thoughts appearing in my head. And they all go to one. To my life. And to my death... 30.
