German Bulgarian Dictionary is a
simple to use software that enables
you to translate words from the
German language into Bulgarian with
a click of the mouse. The software

features an extensive database of words from both languages, that you can easily access from the column on the left. Easy German to Bulgarian Eurodict German Bulgarian Dictionary is an educational software that enables you to learn the Bulgarian version of German words. The software features an easily accessible list of German words, displayed in the column on the left. The column only displays all the words that start with the same letter,

but you may select a different symbol from the alphabet or search for the word. The software enables you to search by parts of words or identify only whole words in the dictionary. Once you select the German item, the Bulgarian equivalent is instantly displayed in the section on the right. The software can only perform one way translations, from German to Bulgarian. Customize existing libraries Eurodict German Bulgarian Dictionary allows you to append the

existing dictionary of German words, as well as mention the Bulgarian equivalent. Moreover, you can easily translate numbers, and view their transcription in words in multiple languages. For instance, you can view the letter transcription of a year in German, French, Italian, Spanish, Turkish or Russian. The software can display the translation of one word at a time. Additionally, it supports specific symbols for both German language and the Cyrillic alphabet

used in Bulgarian. Moreover, you can access separate lists for nouns and verbs, adjectives, adverbs or connectors. Educational assistant for learning Bulgarian Eurodict German Bulgarian Dictionary enables you to view the Bulgarian translation of German words with one click of the mouse. The software includes a vast database, containing a multitude of words from both languages and it can correctly display the specific symbols of German and Bulgarian alphabets.

Moreover, the powerful searching engine allows you to easily find the German word you are looking for.
