Thanks a lot for your support! Hi, This program works with Windows XP/Vista/7/8 without problems. What does not work? Thanks nikosrudeau Apr 05, 2014, 11:02 AM It works on my Windows 7, although you don't have to check the option to do so. All functions seem to be working. A few updates and improvements would be great. We cannot guarantee that the software is compatible with all devices as we do not test and only use Windows PC for our work. DEREK Apr 08, 2014, 08:59 AM Thank you for contacting us. SgfEditor will be updated to version 4.0 for Windows 8. We do not have any further information about the release. AppDevTeam Apr 10,
