<https://eva.ru/topic/115/3551817.htm?messageId=98382612> It is absolutely true that wisdom comes with experience. Wisdom is nothing more than the stored memories of our mistakes and the pain associated with them, which we now accept as experience and learn not to repeat them again. If we did not have these painful mistakes, we would not have learned from them or learned what pain is in principle, learned to live with it, or learned to interact with it.
