Elegant Logos has 27 free logo templates for Business & Corporation design. The available logo templates are elegant logos, i.e. there are no "doggy logos" here, as you can see from the available designs. It should be very easy to find a template that suits your needs. The Elegant Logos collection contains business and corporation logos, as well as elegant logos for men, women and kids. Every logo in the collection is in vector-

---

based format and it's easy to use in all the leading image editors. There are 27 logos, all with images and the most essential info. Every logo is suitable for logos in 3 versions (black, white and color). All logos have the following format:.PSD file (Photoshop format) and.AI (Adobe Illustrator format). Each logo is packed in a zip folder. No registration is required, use the logo as much as you like, for free! A detailed video

---

tutorial is included to show you how to use this logo pack in the software software Company Logo Designer (demo edition). Read the news about the latest release of Company Logo Designer: » » Our Logo Packs: » » More and more people are using this logo creator. However, we haven't done a free-demo version for this software. No matter whether you want to use our logo templates, or use a logo design from one of our top

---

designers: Use them all for free! Your product and your brand are like a team - they need to work together.
