Romeolight PhotoResizer Download

Romeolight PhotoResizer Crack + License Keygen Free [Mac/Win]

This program was designed to help you effortlessly resize and optimize pictures to reduce their disk space consumption. It includes a lot of helpful features that make it possible for you to resize and optimize pictures in a jiffy. Main features: - Change the dimensions of pictures for easier storage or uploading - Apply the "Keep aspect ratio" option to retain the original ratio of the images - Delete any metadata and color profiles - Keep all the options enabled or disable them - View the progress of the operation or watch a clear preview of the files - Automatically rename the new optimized files - Automatically choose the best output format and output directory. Romeolight PhotoResizer 2022 Crack Latest version: - Version 1.33 SUMMARY : Having trouble resizing your images? Then you have found a great solution. By using Romeolight PhotoResizer you can easily resize your pictures and replace their original dimensions by reducing their size. You can quickly and easily reduce images in sizes such as 75%, 50% and 25%, and optimize them for faster uploading. You can reduce the dimensions of digital images from JPG, BMP, PNG, GIF and TIF formats. Additionally, you can remove any metadata and color profiles, as well as keep the original ratio of the images. Additionally, you can save the original image ratio by choosing one of two possible options: 'Relative' or 'Absolute', as well as reset the newly created image dimensions to the size of the originals. Romeolight PhotoResizer also automatically renames the new optimized files and the output directory where you want to save them. [download:Romeolight PhotoResizer.zip] Runtime: 32-bit Free Freeware Software category: Utilities Installation size: 6,0 MB License: Freeware File size: 6,0 MB Download:Romeolight PhotoResizer.zip Romeolight PhotoResizer is a practical and intuitive software utility that was designed to help you quickly modify the dimensions of your pictures, as well as optimize them in order to reduce the amount of disk space they consume. Clean and novice-friendly looks In what concerns its looks, the program is fairly simple to understand and work with, nothing being left to the imagination and thus making it approachable even for

inexperienced individuals. The main window lets you add the files you wish to process

Romeolight PhotoResizer Crack
