HELLOMY DICKFACE, AARON. What, did you just call me a faggot? 'Faggot' is a word you used in grade school to describe an effeminate homosexual boy. I am not a 'faggot', and we are not in grade school. What a stupid word to use. I call you a lot of other things, but 'faggot' is not one of them." Jason stopped and a look of pain crossed his face. He raised his hand to his chest and held it over his heart. "Bro, you have to stop calling me that. I'm not gay. I'm a gay man. I have a girlfriend. She's nice, and we go on great dates and stuff, but that doesn't mean I'm gay. And even if I am, it doesn't mean I want to sleep with you. So stop calling me that. It hurts." "Well, at least you're honest about your sexuality," Aaron said with a bit of humor. "Outsiders are like that. They say we're all this, but really we're this." "Aaron, all you want to talk about is your sexuality," Jason said as he stood up from the bed. He went to the bathroom and took a shower. After his shower, he started shaving his face, cutting his hairs carefully around his face. "All I want to talk about is my sexuality because it's the only subject where I'm honest. If I told you I don't like sleep with women, you wouldn't be able to give me any comfort because I'd be lying. I guess it's a problem for both of us. We both need to own our sexuality. It's not something to be ashamed of. I'm just a little more honest about it." "Why's that?" "Because I'm not ashamed of myself as a gay man. I'm not ashamed to be gay. But when it comes to relationships, I do need to be honest. If I tell you I'm straight, you may not want to date me. If I tell you I'm gay, you may not want to date me." 1cb139a0ed
