
17 Again Hindi Dubbed

Approaching a midlife crisis, Mike in his thirties desires a "remake" - and that's exactly what he gets when he wakes up and finds himself 17 again. Mike is a man with many problems, he's in desperate, he is not going to give up. But, like everyone else, he has a family that loves him and worries about him. His wife also joins his worries about the children. But Mike's life, even during his stay in time, is also filled with other concerns besides his problems and memories of the past years. In general, Mike's life is not as simple as it is for all of us.
