Unfortunately, the installation does not work. I keep getting this message:" The file could not be opened. There is probably no application installed to open it. Or the file might be corrupt and not a valid installation file.. A:
Windows 7, or later:
Press windows key + R,

type in the command prompt: regedit and press enter. If installed, it may ask for your username and password, and also proceed to open as administrator. If you click "on top" on the right, you may select what regedit should open with. In this case, I chose "All Files" and then "Uninstall a program" from the list. In the opened window, go to: H

KLM\SOFTWARE\Classes and right-click "Office" and click the property menu. "Friendly name" should have been set to "Microsoft Office". Change the content to be: "Microsoft Office 2010" as shown below. Now, you can install any version of Windows 7, 8, 8.1, or 10 and it will see the new Office installed correctly. If you are using Linux, you can remove

the "Microsoft Office" folder and registry key, replacing it with "Open Office" or "LibreOffice", according to your preferences. Windows XP, or older: The registry key would be: HKEY_CLASSES_ROOT\Microsoft Office Excel 10\CLSID Change the value to the following string: {62C51FE0-B6A8-11D0-9816-00E04FF75FC9} (it is the PID of the

Excel 11 process) A fresh wave of support and opposition is rolling across the US – a critical test of President Trump’s authority to fulfill his promises on a wide range of domestic policy matters. Fundamental challenges to the Trump administration are growing daily, which means a federal Supreme Court showdown could very well be coming

soon. On Tuesday, the president voiced his support for a Kentucky county clerk who is refusing to comply with the Supreme Court's marriage equality ruling, arguing in a tweet that judges have too much power. Later in the day, he released a new travel ban targeting Iran and six other Muslim-majority nations. The travel ban, which goes into effect

later this week, has prompted yet another wave of opposition demonstrations, as well as legal challenges. At least seven 595f342e71
