You can read more about it here. FIFA 22 is available August 30 for PS4 and Xbox One. It will be available on PC on September 10. Four different special editions of FIFA 22 will be available, including FIFA Ultimate Edition, which includes access to FIFA Ultimate Team, regular edition, Football Club 22 and Ultimate Nintendo Switch Edition. You can pre-order FIFA Ultimate Edition here. Here are the gameplay details: New Skills Now you can challenge and take on your opponents with a brand new skills, the Dynamic Free Kicks. One new Dynamic Free Kick mechanic will be added in FIFA 22; Dynamic Free Kicks allow you to shoot for the top corner in a quicker way than before. You'll also be able to score more headers thanks to the new Headers mechanic, which allows you to bend the ball to increase the chances of scoring from headers. Niko Kranjcar is proud to have 50 awards at the FIFA World Cup. And now you can challenge him with the new Headers mechanic, which will turn his PS4 Pro into the perfect FIFA 22 machine. Magic Shots Now you can score long-distance shots with more accuracy than ever before with the Magic Shots. A brand new special mechanic will be added in FIFA 22; When you score a Magic Shot, you'll be able to double the power of the shot and send it in on the goalkeeper, helping you achieve big goals in one of the most demanding moments. In this way, Magic Shots make great opportunities easier to convert with so many ways of scoring from the highest levels. Save the Shot Save the Shot allows you to save a shot in any way that will protect your team. You can use Save the Shot to prevent goals on any occasion, with great effects for both attacks and counterattacks. You can also use it to protect yourself, as it offers complete and accurate protection in each way. With the goal of providing various defensive options, Save the Shot is a great inclusion in FIFA 22. Goalkeeper Stamina FIFA 22 adds Goalkeeper Stamina, an important new feature that will make keeping your goalkeeper fit harder and maintain his performance. Goalkeeper Stamina makes it possible to recover from tough situations, making the goalie a crucial part of your team. Goalkeepers should now be able to withstand some tough situations, especially in critical moments. This is a key

## **Fifa 22 Features Key:**

- More Ways to Play. Control your every move in a balanced and connected gameplay experience, from the the added importance of the goalmouth to a refreshed Dribbling & Shooting and Free Kicks. EA SPORTS™ FIFA 19 was the official EA SPORTS FIFA videogame of the 2019 FIFA World Cup™. FIFA 19 is the most popular videogame adaptation of the world's most-watched annual sporting event. The 2019 FIFA World Cup™ in Russia features 32 of the world's best national soccer teams and will see a bevy of new features, including significant enhancements and innovations to FIFA Ultimate Team™, FIFA 19 Ultimate Edition, and the FIFA 19 Demo. Fans of the soccer simulation genre can enjoy the game in English, Spanish, French, German, Italian, Russian, and Brazilian Portuguese. The Ultimate Team™ mode expands to teams from South America, Asia, Africa, North America, and Europe, resulting in 16 new clubs to collect and build, including Barcelona, Dynamo Kyiv, and Red Star Belgrade. There are also all-new player cards, including the newly announced China national team; and the new Squad Experience feature makes every player matter by tracking their progress during off-the-pitch activities. The FIFA 19 Demo Players will have the opportunity to take part in the demo, participate in the qualifying tournament, and compete in the regional competition before downloading the full game. The game is now available for PlayStation®4 computer entertainment system and Xbox One. EA SPORTS™ FIFA 19 will be available in retail stores on September 27, 2018. For more information, visit [www.EA.com/FIFA](http://www.EA.com/FIFA). FIFA 19 Moves an Industry Forward In the FIFA 19 Demo, fans will have a chance to play the game in English, Spanish, French, German, Italian, Russian, and Brazilian Portuguese. Additionally, for the first time in franchise history, the FIFA 19 Demo will support other languages, allowing customers to download and play the demo in their native language. The updated demo has also been given an all-new, curated difficulty level that has been designed for players who may have played FIFA 17, 18, or 19 to increase accessibility for a newer generation of players. "Our goal with the FIFA 19 Demo is to make the game playable for a wide range of players of all ages," says Peter Gulacsi, Senior Director of Marketing at EA Canada. "The game is excellent, but there are a number of things that are holding players back from fully experiencing the game, including the AI, which is very good. With the FIFA 19 Demo, we
