the prank is designed to give a tip of the day to the user. What is so funny about this is that the tip of the day will be slightly random. So you can let the prank do its job and see how your friends react to the thing. Random fact generator: random facts are multiple choice questions with 4 choices (like in an IQ test). You will fill out this file with random facts that you know and that will be loaded in the quiz. You will be able to see your friends answers and score after every question. Useful for: - quizzing your friends - convincing people that your trivia knowledge is better than your friend's, if he/she tries to defend you. - finally knowing how much you know... People who use Microsoft Office can check out the file at: (thanks to factordom) FAQ: Q: Is it really made with a Microsoft Office program? A: Yes. Q: Does it use just random facts or more specific/vocabulary knowledge questions? A: NO. Q: How can I make it load more facts? A: Let me know if you need help. Thanks. Q: I already know some random facts! Where can I find more? A: The Random Facts List is available here: (thanks to factordom again) Q: Is it a good idea to tell people where they can find it on the web? A: Yes, actually, it's a very good idea to give them a link... Jokes are the jokes. Take a joke and add the letter J to the end, you get a joke with a J on the end. There are 7 different words in the English language that has the letter J with a vowel sound. A, E, I, O, U, and Y. This is my first web page. It is quite a bit like a site I use on my PDA. If you don't have one, it's a small, underpowered, Blackberry with a web browser. But the PDA site is dead now. I just get my ideas here, it is a long story. It is just like you and I sitting on a log, talking. I get ideas, I ponder things, I think to myself, I write. I b7e8fdf5c8
