Only need Delftship Professional 4.03.68 download how to use?Households in Canada's largest and fastest-growing cities are driving most of the country's housing growth, according to new data released by Statistics Canada. Households in the Greater Toronto Area were the biggest gainers in housing, accounting for 9.1 per cent of the total housing market. They held 14.7 per cent of the total value of existing inventory by the end of May, a 32.3 per cent increase since the end of 2012. That's about a third of the total housing market, or about 6,800 homes, in the GTA. Story continues below advertisement The market in the country's second largest housing market, Vancouver, grew to a whopping 5.8 per cent, with an increase in the value of existing inventory to \$179.5 billion, or 17.2 per cent. The market in the country's third largest market, Calgary, grew 11.3 per cent, to \$123.3 billion, or 14 per cent. The remaining 16 markets in the country all saw growth below five per cent. ♦ d0c515b9f4
