Cree En Ti Rut Nieves Pdf 117

Sep 18, 2011 · I didn't know how to read words, but I started writing my name! I love my brother so much! I love him more than anything else in the world. I just wish I could hug him every day.

My name is Benjamin. I do not live with my brother, but I love him very much. He knows how to read now and he loves me too! He is two years and eleven months older than I am. He is the biggest person in my heart. I am ½ inch shorter than he is. I am a boy and he is a man. He loves to take care of his lawn, but I take care of him

when he gets old. I don't like boys who don't take care of their lawns. My Mom is sweet, but I wish she wasn't so bossy. She is always telling me what to do. I want to be a doctor when I grow up. I hate it when people tell me what to do. I love to ride bikes, but I ride on the sidewalk because the street is too big for me to ride in. My favorite color is green. I like to play basketball and football. I wish I could play basketball, but I am very small. I wish I could be a football player, but I am going to be an Eagle Scout in a year. I wish I could be a Marine when I grow up. I am almost a year old. I am a yellow Labrador Retriever that will be eleven years old in three months. I like to play in the water and walk on the beach. People used to throw rocks at me and call me names, but no one ever hurts me now. I was put down in puppy class, but I am the best little dog there is. I love to be with my family and I love to sleep with

my brothers and sisters. I love to play and to have fun. I will take care of my family even when they are old. I want to be a daddy some day. We have a lot of fun playing. We make a house for the snow that melts in spring time. We can't go in the water, though, it is so cold. This is what we do when the sun comes out. I wish we could go swimming, but I am too young to swim. I just want to be a part of everything. PDF BY SERGEANT FIRST CLASS ABAIR TIMOTHY ALAN 18F3. S
