There are also options to choose the audio formats output and the frequency of the converted output. Agree Free MP3 to WAV Converter can convert MP3 files to MP3, WAV, WMA and OGG files. The program converts up to 2,000

System Requirements:

This mod is compatible with Windows 7 or newer. I have tested it on a new Laptop (HP G7), and it works great. For me, I have a Nvidia GTX 680 with 6gb of memory. I also tested it with a GTX 780 2gb. I recommend having at least 4gb of memory for this mod. This will prevent issues of low RAM on older systems. Installation: Please follow the installation instructions in the readme.txt. If you have trouble with this mod, please use the issue tracker:
