* David Hobby is one of the few people on the planet who can afford a house. He's one of those rare entertainers who becomes famous in his own right, not for his movie or TV work, but for the commercial work he does for Adobe and other companies to advertise Photoshop. (For an entertaining (and humorous) behind-the-scenes look at the creative side of Photoshop advertising, see the chapter "Adobe Advertising: An Inside Look," in this book's appendix.) * Adobe Photoshop and Photoshop Elements are the most popular photo editing software packages in the world. Both are available for the computer and mobile devices. * Photoshop has several plug-ins (extension programs) that enable users to extend Photoshop's capabilities. For example, the popular layers plug-in enables layer-based images. The marquee tool plug-in enables users to manipulate type. This version of Photoshop comes with several plug-ins preinstalled. However, you can add new plug-ins through the Photoshop preferences. Plug-ins are available online for free as well as for sale on CDs. * **_The Adobe Creative Suite: ** This popular, comprehensive collection of software, including Photoshop, comprises a few bundles of programs. You can get your programs separately or as a single bundle, and you can upgrade to a new edition as it becomes available. Adobe offers free software updates after you buy, and the company offers a warranty on its products. * **_Precisely: ** This photofilm software includes features that are geared toward advanced users. It includes tools to edit audio and video, and is geared more toward specialized uses. These features are typically only available in the latest version of the software. * **_GIMP: ** The most popular open-source image editing program, GIMP is used for its user-friendly interface and its capability for simple tasks. GIMP is free for personal use, but sells plug-ins that allow you to access additional editing features. You can find it in the Internet-based software repositories. * **_Adobe Lightroom: ** Lightroom is a powerful photo editor that is designed to work with Photoshop files. Lightroom provides a sophisticated set of tools to manage your photo libraries. It includes preinstalled Photoshop plug-ins, and you can upgrade as needed. * **_Adobe Bridge: ** Bridge combines the tools of both Lightroom and Photoshop to offer a powerful editing solution

"Remember to tell them that he was a kind man." "God gave him so many gifts." "He was fond of music, poetry..." "He especially loved The Stock Exchange, the auction house and the exhibition." "He was very proud of working as a pastor." "Well, of course, he loved being a pastor." "He did, indeed." "Let's go." "He was happy about his new mobile phone." "It had a music player." "Let's go." "He loved listening to the stars." "He liked talking to his wife and sister-in-law." "I don't understand." "We were just talking." "Say something." "Spare us your sympathy." "You're kind of stupid." "What do we care what he likes?" "That's what we did." "He wasn't even stinking." "He was stinking." "He was so dirty we couldn't do anything." "When I visited him, I found a lot of things I didn't know he liked." "I found out that he liked this and this." "And this, too." "And they were all dirty." "I felt uneasy." "I could have tidied up and tidied up." "I thought he would be clean by the time we collected him." "This is what we found in his pocket, too." "Do you know what this is?" "This is our annual savings account." "It's 22,000 Korean won." "I was the only one to know about it." "I left it here, so they'd find it." "That was his last will." "But they all took it for themselves." "I didn't mean to lie about being fond of him." "It's just that..." "I didn't want to believe that he was dead." "I didn't want to believe that he was dead and that I'd never see him again." "You got sick because of me." "I'm sorry, Dad." "I'm sorry, Dad." "See you, Dad." "Dad." "This is it." "My friend is here." "What about my lunch?" "You'll eat later." "I'm hungry." "Shall we start the bidding?" "The start bids will go round at 7,000 won." "Yes, 7,000 won." "I see there's a bid." "I wonder how much we'll raise the price to when we get money?" "Seungmo Yang
