Magic Pot Magazine Download Pdf

in addition to the internal and external aspects of healing and fertility, magic also encompassed the protection of those afflicted with psychic suffering. the latin word cura and the old english word cōn, which both mean “care,” were used to refer to magic. cura was applied to the treatment of a disease, a malady, or a weakness of the soul. a man who was desperate for a job might be cured of his laziness or lethargy by a spell. a woman who was unhappy with her relationship might be cured of her melancholy by a physician who could perform magic to

dispel the cause of her illness. cura was employed to cure those who were possessed by demons. representation of a protective god. this statuette was found in the cemetery of murex, a sacred site associated with the roman god mercury. w. 60. museum object number(s): e9347 while the term “magic” has a modern connotation of mysterious or illicit powers, the concept was used to describe a variety of practices from the time of the pharaohs. whether one performs magic, whether one believes in magic, and whether one engages in magic are all open questions. as “magic” refers to a broad range of practices, it is not always possible to be precise in

the use of the term. the ancient egyptians employed both helpful, defensive magic and harmful, offensive magic, which might be thought of in modern terms as white or black magic. the former includes apotropaic, or protective, magic. apotropaic magic was predicated upon a belief that certain depictions, texts, or practices shielded the user from harm. 5ec8ef588b
