nalc@solapublishing.com info@solagsm.com www.solagsm.com sola has a history of offering training, mentorship, and community building in its franchise community. we actively host events such as quarterly conference calls, annual town hall meetings, and other periodic training events. we also offer many perks such as free haircuts, free tips and tricks, and free styling services. in addition to providing free services, we also offer free hair color services. we have recently added free eyebrow tinting. what is the one thing you wish you knew before you started your business just because i was a licensed cosmetologist and i always had a salon of my own, i didn't think i needed to be a franchisee. as it turns out, the business is hard work, but it is also a lot of fun. i have to be honest with myself, and that's part of the thrill of being an entrepreneur and a sola. i have to be willing to step out of my comfort zone and take risks. it's easy to get comfortable with your day-to-day life and life as a salon owner, but when you step out of your comfort zone, you learn about yourself. both for the solas brand and to sustain the wordalone network, we are committed to the ministry of christian education and publishing. the unique nature of both solas and wordalone is to provide our authors, who are often individuals with marginal means, an opportunity to share their talents and ideas with the world. 5ec8ef588b
